CASE NO. 5:21-CR-097-H-BQ-1

QUENTIN JAMES CANNON

**REPORT AND RECOMMENDATION ON PLEA
BEFORE THE UNITED STATES MAGISTRATE JUDGE**

This case has been referred by the United States district judge to the undersigned for the taking of a guilty plea. The parties have consented to appear before a United States magistrate judge for these purposes. This Report and Recommendation on Plea is submitted to the Court under 28 U.S.C. § 636(b)(3). **The undersigned notes that the plea agreement contains a Rule 11(c)(1)(C) agreement stipulating that a specific sentence or sentencing range is the appropriate disposition of the case. See Fed. R. Crim. P. 11(c)(1)(C).**

Defendant appeared with counsel before the undersigned United States magistrate judge who addressed the defendant personally in open court and informed defendant of, and determined that the defendant understood, the admonitions contained in Rule 11 of the Federal Rules of Criminal Procedure.

The defendant pleaded guilty (under a written plea bargain agreement with the Government) to *Count Two of the Indictment charging defendant with a violation of 21 U.S.C. §§ 841(a)(1), 841(b)(1)(D), that is, Possession with Intent to Distribute*

Marihuana. The undersigned magistrate judge finds the following:

1. The defendant, upon advice of counsel, has consented orally and in writing to enter this guilty plea before a magistrate judge, subject to final approval and sentencing by the presiding district judge;
2. The defendant fully understands the nature of the charges (including each essential element of the offense(s) charged) and penalties;
3. The defendant fully understands the terms of the plea agreement and plea agreement supplement;
4. The defendant understands all constitutional and statutory rights and wishes to waive these rights, including the right to a trial by jury and the right to appear before a United States district judge;
5. The defendant's plea is made freely and voluntarily;
6. The defendant is competent to enter this plea of guilty;
7. There is a factual basis for this plea; and
8. The ends of justice are served by acceptance of the defendant's plea of guilty.

Although I have conducted these proceedings and recommend acceptance of the defendant's plea of guilty, the United States district judge has the power to review my actions and possesses final decision-making authority in this proceeding. Thus, if the defendant or Government has any objections to these findings or any other action of the undersigned, the defendant or Government must make those known to the United States district judge within fourteen (14) days of today.

Based on the foregoing I recommend that the defendant's plea of guilty be accepted, that the defendant be adjudged guilty, and that sentence be imposed accordingly. The undersigned further recommends, however, that the Court reserve judgment on accepting the plea agreement until after the Presentence Report is

completed and the sentencing hearing is conducted.

Signed: December 15, 2021.
